

TCS Annapolis Half Marathon Time Limit

Many of you have asked about the time limit for the race. Everyone who starts the race will be able to cross the finish line and receive their medal and other amenities.

However, if you are still on the course, you will be asked to move to the shoulder/sidewalk according to the following schedule:

- College Avenue and King George Street to Gate 1 will reopen at 8:30 a.m. to traffic
- All other roads will reopen at 9:45 a.m.

Because of scheduled Naval Academy activities, buses will need to leave the stadium at 8:30 am and have access to Gate 1 via Rowe Boulevard, College Avenue and King George Street.

Course monitors and Annapolis City Police, Department of Defense Police and Anne Arundel Police will be on the course to ensure the safety of all runners and walkers. Please follow their instructions and guidance.
